

Winners for the Youth Competitions on Climate Change and Resilience

The Youth Engagement and Advocacy Activities on Climate Change and Resilience was an initiative facilitated by the Pacific Islands Forum Secretariat under the theme “Our Actions Now – Our Future, Our Resilience, as part of recognising the critical role that youths play in terms of resilience actions as well as a means to raise awareness on climate change, disaster risk and broader resilience aspects including existing regional mechanisms such as the FRDP and PRP set up to support national efforts to address these issues. It was done in collaboration with the Pacific Resilience Partnership (PRP) Support Unit and the PRP Youth Hub.
