

**Vavine Kila Nadesalingam**

*Board Member, Independent Advisory Board*

Vani is from private sector and is a woman business-owner with experience in corporate financial governance. Vani comes from the education sector having worked and contributed to the sector for two decades. Vani operates Emstret Holdings Ltd which she started in 2014. Emstret is a licensed Internet Service Provider with a focus on creating enabling and sustainable internet access solutions across the country. She founded four businesses under the Emstret Holdings Ltd including the ISP, a coworking hub for entrepreneurs in PNG, the Little CEO Pizza and the Shopsmart PNG online digital marketplace. She also established the Voices for Villages Foundation which serves as a community arm of her business serving her people in the rural communities.
